Article 1. General provisions

1. The Rule and conditions of the affiliation of the European University (hereinafter referred to as the Rule) are based on the “Provision on Authorization of Educational Institutions” approved by the Order of the Minister of Education and Science of Georgia N 99/n from October 1, 2010, current legislation and internal legal acts of the University.
2. This Rule governs the rules and conditions for the affiliation of the academic staff of the European University (hereinafter referred to as the University) and sets out the rights and responsibilities of the academic staff and the University concerning affiliation.
3. Affiliation means a written agreement between the University and an academic position holder, by which each academic person determines his or her affiliation only with the European University, participates in the development of society, and shares knowledge on its behalf.
4. The affiliated academic staff of the European University consists of affiliated professors, affiliated associate professors, affiliated assistant professors, and affiliated assistants.
 - a) Affiliated staff (affiliated professor, affiliated associate professor, affiliated assistant professor) participate in the teaching process and scientific / research activities or lead them.
 - b) Under the guidance of a professor, associate professor, or assistant professor, the affiliated assistant carries out seminars (work in a working-group) and scientific/research activity in the main educational unit within the framework of the current educational process.
5. The results of the scientific / research activities of the academic staff who enter into a written affiliation agreement with the European University will be credited to the European University only, regardless of their participation/promotion in preparation or publication by another higher education institution or organization/institution.
6. The University is entitled to terminate the affiliation agreement with the affiliated academic staff in the case of signing by him/her an affiliation agreement with another educational institution and to claim a refund.
7. The University facilitates scientific-research activity of affiliated academic staff.

Article 2. Definition of Terms
