

1 Semester	
Subject Title	Credits (ECTS)
Body Systems I Anatomy Physiology Imaging	7
Behavioral Science	3
Cell Biology	5
Medical Chemistry	4
Research Methods I Research Methods Argumentative Writing	4
Foreign Language English B1.1/ German A1	5
Electives	2
Total Credits (ECTS)	30
Contact Hours (lectures and practical hours)	430
Exam Hours	28
Independent work hours	292

2 Semester	
Subject Title	Credits (ECTS)
Body Systems II Anatomy Physiology Imaging	7
Molecular Biology and Genetics	5
Introduction to Clinical Sciences I Histology Embryology Medical biochemistry	6
Psychology	3
Clinical Skills I Clinical Skills I Bioethics	4
Foreign Language English B1.2/ German A2	5
Total Credits (ECTS)	30
Contact Hours (lectures and practical hours)	434
Exam Hours	24
Independent work hours	292

3 Semester	
Subject Title	Credits (ECTS)
Introduction to Clinical Sciences II Histology	6

Embryology	
Medical biochemistry	
Research Methods II	2
Medicine and Society I	2
Clinical Skills II	4
Clinical Skills II	
Communication skills	
Simulation Course of Operative Odontology	2
Introduction to Dentistry	2
Prosthodontic Dentistry Propaedeutic I	2
Prevention of Oral Diseases I	3
Foreign Language English B2.1/ German B1.1	5
Electives	2
Total Credits (ECTS)	30
Contact Hours (lectures and practical hours)	439
Exam Hours	40
Independent work hours	271

4 Semester	
Subject Title	Credits (ECTS)
Basis of Diseases and Treatment	6
Pathology	
Pharmacology	
The body's immune system	5
Microbiology	
Immunology	
Clinical Radiology	2
Simulation Course of Endodontics	3
Simulation Course of Surgical Dentistry	3
Prosthodontic Dentistry Propaedeutic II	3
Prevention of Oral Diseases II	3
Foreign Language English B2.2/ German B1.2	5
Total Credits (ECTS)	30
Contact Hours (lectures and practical hours)	448
Exam Hours	32
Independent work hours	270

5 Semester	
Subject Title	Credits (ECTS)
Research Methods III	2
Medicine and Society II	2
Methods of Diagnosis	5
Surgery I	4

Clinical Course of Operative Odontology	3
Oral Surgery I	3
Prosthodontic Dentistry Phantom Course I	3
Pediatric Dentistry I	3
Free Credits	5
Total Credits (ECTS)	30
Contact Hours (lectures and practical hours)	393
Exam Hours	36
Independent work hours	321

6 Semester	
Subject Title	Credits (ECTS)
Clinical Skills III Infection Control and Waste Management in Dentistry	2
Internal diseases I Cardiovascular system Respiratory system Urology Allergology	5
Infection Diseases	2
Nervous Diseases	2
Clinical Course of Endodontics	3
Oral Surgery II	3
Prosthodontic Dentistry Phantom Course II	3
Pediatric Dentistry II	3
Free Credits	5
Electives	2
Total Credits (ECTS)	30
Contact Hours (lectures and practical hours)	344
Exam Hours	40
Independent work hours	366

7 Semester	
Subject Title	Credits (ECTS)
Evidence Based Medicine	2
Internal diseases II Digestive system Endocrine system Metabolism Hematology Oncology	5
Dermatology	3
Introduction to Periodontology	5

Surgical Dentistry I	3
Private Prosthodontic Dentistry I	3
Pediatric Dentistry III	3
Pediatric Surgery I	3
Orthodontics I	3
Total Credits (ECTS)	30
Contact Hours (lectures and practical hours)	335
Exam Hours	36
Independent work hours	379

8 Semester	
Subject Title	Credits (ECTS)
Medicine and Society III	3
Pediatrics	2
Anesthesiology and Intensive Care	3
Otorhinolaryngology	2
Diseases of the Oral Mucosa I	3
Surgical Dentistry II	3
Private Prosthodontic Dentistry II	3
Pediatric Dentistry IV	3
Pediatric Surgery II	3
Orthodontics II	3
Electives	2
Total Credits (ECTS)	30
Contact Hours (lectures and practical hours)	329
Exam Hours	44
Independent work hours	377

9 Semester	
Subject Title	Credits (ECTS)
Epidemiology and Biostatistics	2
Clinical Skills IV	4
Surgery II	4
Clinical Course of Periodontology	4
Surgical Dentistry III	4
Private Prosthodontic Dentistry III	3
Pediatric Dentistry V	3
Pediatric Surgery III	3
Orthodontics III	3
Total Credits (ECTS)	30
Contact Hours (lectures and practical hours)	345
Exam Hours	36
Independent work hours	369

10 Semester	
Subject Title	Credits (ECTS)
Research Project	4
Diseases of the Oral Mucosa II	4
Surgical Dentistry IV	4
Private Prosthodontic Dentistry IV	4
Pediatric Dentistry VI	4
Pediatric Surgery IV	3
Orthodontics IV	3
Electives	4
Total Credits (ECTS)	30
Contact Hours (lectures and practical hours)	345
Exam Hours	32
Independent work hours	373
