<b>Free component, within the framework of which the student is given the opportunity to choose study courses from any educational program of the relevant level operating at the university, observing the prerequisites for admission to the study course- 28 credits</b>									4	12	12
<b>Volume of credits according to semesters</b>				<b>30</b>	<b>30</b>	<b>31</b>	<b>34</b>	<b>29</b>	<b>32/26</b>	<b>24/30</b>	<b>30</b>
<b>Total</b>				<b>240 credits</b>							

**Note:**

1. *It is mandatory to master one of the concentrations provided by the curriculum (private law, public law, criminal law, international law). In such a case, the student is obliged to complete all the mandatory courses of the chosen concentration and master the optional subjects of the concentration in accordance with the amount of credits taken into account by the curriculum;*
2. *Separate courses, in addition to the Georgian language, are offered in English as an alternative;*
3. *Confirmation of knowledge of English language at the B2 level or achievement within the program is mandatory. The student confirms the level of knowledge of the English language in accordance with the "Rule for determining the language competence of a student of European University";*
4. *Within the framework of the program, the student starts learning English from the level confirmed by the "Rules for determining the language competence of a student of European University". In case the student cannot prove his/her knowledge of the English language at the A2 level, he/she starts studying the English language within the program from the appropriate level confirmed according to the mentioned rule (English language A1 / English language A2). The student learns the levels required to start at the B1 level of English (English language A1 / English language A2) by utilizing the free credits provided by the program;*
5. *In case the student confirms his/her knowledge of the English language at the B2 level in accordance with the "Rule for determining the language competence of the student of European University ", he/she is exempted from mastering the English language component and acquires the credits (20 credits) allocated to the English language through optional courses of the main field of study or concentrations or free with credits. whether the level confirmed by the student is higher than the initial level defined by the program (B1.1), the remaining credits are filled by the student with optional courses or free credits of the main field of study or concentrations;*
6. *The credits of the optional free component, within the framework of which the student is given the opportunity to choose study courses from any educational program of the relevant level operating in the university, can be utilized by the optional study courses of the main field of study or concentrations of the bachelor's law program;*
7. *Within the study courses, where the prerequisite for admission is the obligation to know the English language at the B2 level, English-language textbook(s) are used as mandatory literature.*
