

Year	Semester	Title of module / course component				
I	I	Body Systems I (Locomotor and Integumentary Systems Anatomy, Physiology, Imaging)				
I	I	Gene, Cell and Tissue I (Molecular Biology, Biochemistry, Medical Genetics Histology & Embryology)				
I	I	Clinical and Professional Skills I				
I	I	Georgian Language I (A1)				
I	I	GERMAN LANGUAGE I (A1.1.) MEDICAL SOCIOLOGY Medical Physics Medicine and Art Medical Chemistry English Language B2.1				
I	II	Body Systems II (Cardiovascular and Respiratory Systems Anatomy, Physiology, Imaging)				

I	II	Gene, Cell and Tissue II (Molecular Biology, Biochemistry, Medical Genetics Histology & Embryology)				
I	II	Clinical and Professional Skill II				
I	II	Scientific Reasoning I				
I	II	Georgian Language II (A2)				
I	II	GERMAN LANGUAGE II (A1.2.) History of Medicine Reproductive health MEDICAL MATERIALS English Language B2.1				
II	III	Body Systems III (Digestive GI, Hematology System Anatomy, Physiology, Imaging)				
II	III	Gene, Cell and Tissue III (Histology&Embriology, Immunology, Biophysics, Biochemistry)				
II	III	Clinical and Professional Skill III				
II	III	Medicine and Society I				

II	III	Georgian Language III (B 1.1)				
II	III	Cancer Biology Enzymology Personality Development and Communication Skills GERMAN LANGUAGE III (A2)				
II	IV	Body Systems IV (Endocrine, Renal and Reproductive systems Anatomy, Physiology, Imaging)				
II	IV	Gene, Cell and Tissue IV (Immunology, Microbiology)				
II	IV	Clinical and Professional Skill IV				
II	IV	Scientific Reasoning II				
II	IV	Medicine and Society II				
II	IV	Philosophy Nanomedicine Georgian IV (B1.2) GERMAN LANGUAGE IV (B 1.1)				
III	V	Introduction to Clinical Diagnostics I Physical Diagnosis				

III	V	Brain, Mind and Behavior (Neuroanatomy, Neurophysiology, Imaging, Behavioral Medicine)				
III	V	Basis of Disease and Treatment I (Basic Pathology, Basic Pharmacology)				
III	V	Clinical and Professional Skill V				
III	VI	Introduction to Clinical Diagnostics II (Physical Diagnosis, Clinical Skills)				
III	VI	Basis of Disease and Treatment II (Basic Pathology, Basic Pharmacology)				
III	VI	Clinical and Professional Skill VI				
III	VI	Scientific Reasoning III				
III	VI	Medicine and Society III				
IV	VII	Internal Medicine Clerkship I (Cardiology, Pulmonology, Nephrology)				
IV	VII	Surgery Clerkship I (General Surgery, Urology, Traumatology)				
IV	VII	Pediatrics Clerkship I				

IV	VII	Ob/Gyn Clerkship I				
IV	VII	Clinical and Professional Skills VII (Pediatric Skills, Bioethics)				
IV	VII	Systems Biology Synthetic Biology				
IV	VIII	Internal Medicine Clerkship II (Gastroenterology, Hepatology, Endocrinology & Metabolic Disorders)				
IV	VIII	Surgery Clerkship II				
IV	VIII	Family Medicine Clerkship I				
IV	VIII	Clinical Radiology				
IV	VIII	Scientific Reasoning IV				
IV	VIII	Medicine and Society IV				
IV	VIII	Laboratory Medicine Clinical Psychology Addiction Science Clinical Nutrition				

V	IX	Internal Medicine Clerkship III (Rheumatology, Clinical Immunology, Allergology, Dermatology)				
V	IX	Surgery Clerkship III (ENT, Ophthalmology, Maxillofacial Surgery)				
V	IX	Emergency Medicine and Intensive Care Clerkship I				
V	IX	Infectious Diseases Clerkship I (Infectious Diseases, Clinical Microbiology, Immunology of Communicable Diseases)				
V	IX	Clinical and Professional Skill VIII (Clinical Skills, Patient Education)				
V	X	Internal Medicine Clerkship IV (Oncology, Hematology, Clinical Genetics)				
V	X	Neurology Clerkship (Psychiatry, Neurology)				
V	X	Family Medicine Clerkship II				
V	X	Forensic Medicine				
V	X	Clinical and Professional Skill IX				

VI	XI	Medical Leadership				
VI	XI	Health Communication				
VI	XI	Geriatrics and Palliative Care Clerkship				
VI	XI	Obstetrics/Gynecology Clerkship II				
VI	XI	Family Medicine Clerkship III				
VI	XI	Clinical and Professional Skill X				
VI	XI	Precision Medicine Clinical Technologies Pain Management Pediatric Neurology Medical Management				
VI	XII	Surgery Clerkship IV (Neurosurgery)				
VI	XII	Emergency Medicine and Intensive Care Clerkship II Toxicology				
VI	XII	Infectious Diseases Clerkship II				
VI	XII	Internal Medicine Clerkship V (Internal Medicine, Clinical Pharmacology)				
VI	XII	Pediatrics Clerkship II				

VI	XII	Clinical and Professional Skill XI (Clinical Skills, Professional Self Care)				
VI	XII	Sexual Medicine Narcology Reproductology Professional Career Development
