

## CONFERENCE ANNOUNCEMENT

### **Artificial Intelligence (AI) and Its Practical Implications in TESOL Classroom**

European University and the English Teachers' Association of Georgia (ETAG), in partnership with the U.S. Embassy to Georgia and the British Council Georgia, are hosting a conference to explore the transformative role of artificial intelligence in modern education. The focus will be on practical applications, pedagogical value, and ethical considerations of AI, especially in English as a Second/Foreign Language classrooms.

The conference will bring together educators, researchers, and education professionals from throughout Georgia to examine how AI-driven tools can enhance teaching methods, support student engagement, and reshape assessment and learning environments in TESOL classrooms.

The scope of the conference covers the following areas:

- AI-Enhanced Teaching Methods, Evaluation, and Assessment
- Digital Literacy for Teachers and Students in the Era of AI
- AI in the Classroom: Ethical Responsibilities, Norms, and Academic Integrity
- The Role of AI in Inclusive Education
- AI-Informed Curriculum Design, Materials Development, and Program Leadership

The conference promises active engagement through interesting keynotes, practical workshops, and interactive concurrent sessions.

**Seats are restricted to 110 only!**

**All registrations are subject to confirmation by the organizing committee.**

### **Participation instructions**

#### **For presenters:**

**Who can present?** The conference welcomes submissions from experienced language specialists, teachers, and researchers.

#### **Key requirements**

All proposed sessions must meet the following criteria:

- Be informed through applied research
- Offer evidence-based practical implications for a language classroom
- Align with the above-listed thematic scope areas
- Be limited to a maximum duration of 25 minutes each session
- Be presented individually or in pairs (the physical participation of all presenters at the conference venue is obligatory)

## How to Apply?

Those wishing to present are kindly invited to submit an abstract through the designated form no later than March 25, 2026: <https://forms.gle/XVaTSwiED1Knj3eM8>
